

ENERGY SAVINGS PROGRAM

EnergyAlliance

Savings From the People You Trust

Your Chamber's EnergyAlliance program gives you the opportunity to reduce your energy bills by providing access to lower rates through aggregation and competitive bidding. There is no cost to sign up, or to participate. Better yet, EnergyNext, the Chamber's consultant will handle the entire process, ensuring that you get the best rate and experience.

Through the EnergyAlliance, you will be able to secure fixed-rates from several top-tier suppliers who have been carefully selected by EnergyNext to participate in the program. This gives you peace of mind, options, and the opportunity to manage your energy cost and risk over time.
